

Yes, we would like to join as a student group.

\$50*/student minimum
20 students

AIGA is the first place students and professionals turn to for design thinking, inspiration and community. By joining collectively, your school makes a commitment to the future of design and designers. Strong student groups encourage student participation in the design community, increase diversity across AIGA and enhance the student experience.

***To be eligible, students must be registered for at least six credit hours. Student membership is available for four years total. AIGA offers a group discount rate of \$50 per student member to schools that have a minimum of 20 students that wish to join and/or renew at one time.**

Checklist before completing this application:

- At least 20 students** have agreed to join or renew at the same time.
- The faculty advisor agrees to terms and has submitted a completed faculty advisor agreement form to establish an AIGA account.
- Students who are joining for the first time go to my.aiga.org, select **Create Account** to activate a free account and enter their contact information.
- Students who are renewing their memberships have updated their contact information at my.aiga.org.
- The faculty advisor adds all students on the list to their group roster at my.aiga.org. (Log in, select **Roster Management**, review the current list and click on the "Add" link to update the roster with new students. All you need is the students' email addresses to locate and add them to the roster.)
- The faculty advisor has collected the **\$50 application fee** from every student listed.

List each student's name, email address and anticipated graduation date. The faculty advisor must print a copy of the roster using the **Roster Management** feature and attach it to this form. All students listed on this form must be on the group roster. **The school must send a single payment** covering all memberships at \$50 per student. **The faculty advisor will receive a complimentary membership.**

Students joining as part of the group **cannot send in individual student application forms at the \$50 rate**—these will be returned. Incomplete student group application forms will be returned to the faculty advisor.

\$50 each Student group application

IF PAYING BY CREDIT CARD
